O quê?

O que gostavam de ver/fazer acontecer?

Quebra Barreira Linguística
entre os estudantes ~~através~~
de um folheto com informações básicas (prelhos,
a função de cada prelhão, horários, personalização do aluno etc...)
e um grupo de acompanhamento estudantil
& transportes e horários

Porquê?

Qual a vossa motivação
para implementar esta ideia?

Incluir os alunos que não
falam a nossa língua

Para quê?

Quais os impactos que querem atingir?

Para ajudar os alunos de outras
nacionalidades a integrarem-se no ambiente
de escola e de comunidade e melhorarem suas
escolas e as relações entre alunos

Onde?

Quais os locais/espacos onde querem
implementar a ideia? ex. jardim, praia,
equipamentos
desportivos/culturais/juventude ou
escolas

Todas as escolas do conselho

Quando?

Identifiquem qual a melhor data/período de tempo em que querem
ver implementado. Não se esqueçam de contar com a vossa
disponibilidade para fazer acontecer!

to longo do ano letivo

Com/para quem?

A que se destina e com quem pretendem concretizar esta ideia?

Para os alunos estrangeiros

Programa de mentoria

Porquê?

Qual a vossa motivação para implementar esta ideia?

Porque existem muitos alunos estrangeiros que sentem falta de integração.

Para quê?

Quais os impactos que querem atingir?

Para ajudar a incluir os alunos

O quê?

O que gostavam de ver/fazer acontecer?

Alunos fazem exames mecanográficos para a faculdade, por ex. se os alunos precisam PT para a faculdade os alunos fazem PT

Construir uma cobertura nos campos exteriores

Porquê?

Qual a vossa motivação para implementar esta ideia?

Pois mts vezes quando chove a aula fica encerrada/parada devido ao mau tempo. Chover, assim poderíamos continuar a ter a aula sem problema de nos molharmos

Quando?

Identifiquem qual a melhor data/período de tempo em que querem ver implementado. Não se esqueçam de contar com a vossa disponibilidade para fazer acontecer!

Mês que vem nos feriados de março pois vai chover em janeiro.

JUVENTUDE

Para quê?

Quais os impactos que querem atingir?

Para todos poderem ver aulas sem alinhar chuva e não ficarmos deitados por alinharmos chuva durante a aula.
